# Election Time

## Ask Not What AWMA Can Do For You, But What You Can Do For AWMA!

The end of our AWMA year is fast approaching and we are getting ready for next year. Now is your opportunity to contribute to the success of this chapter! We are looking for volunteers to become officers or board members of our chapter. We will be electing the following new officers and directors at our April meeting:

**Vice Chair – one year term with automatic succession to Chair**  
**Secretary – one-year term**  
**Treasurer – one-year term**  
**Director (Consulting) – two-year term**  
**Director (Government) – two-year term**  
**Director (Industry) – two-year term**  
**John Brimeyer will automatically move up from Vice Chair to Chair.**

The officers and Board members meet in person once per year (usually in July) to plan the programs for the upcoming year. Here are the other duties in addition to program planning:

**Chair** – Preside at all meetings, lead officers and Board and make sure all programs are carried out effectively, prepare annual report. The Chair automatically becomes a member of the Board for one year following the end of her/his term.

**Vice Chair** – Preside at meetings in the absence of the Chair and assist with planning and carrying out programs

**Secretary** – Send out newsletter every month or two, maintain mailing list, keep record of all votes and minutes of meetings (we don't keep detailed minutes)

**Treasurer** – Handle all financial transactions, keep records of finances, provide annual financial report to Board

**Directors** – Assist with planning and carrying out programs

Do you enjoy AWMA programs and the opportunity to network with peers? Don't assume the excellent programs will continue without your help – we need you! Please contact me at [svatosbecky@stanleygroup.com](mailto:svatosbecky@stanleygroup.com) if you are interested in serving as an officer or board member or if you know of someone you would like to nominate. I am looking forward to new faces among our officers and Board members to keep the Iowa Chapter of AWMA moving forward with new and ever improving programs!
