IDNR to Conduct More SPARS Training January 8th-12th

The Air Quality Bureau still has many positions available for continued SPARS training. An emphasis of this training is the electronic submittal of Title V inventories in March 2001. The newest version of SPARS (1.3.6a) will be available at the training sessions and also at the SPARS website, www.dnraq.state.ia.us. For more information or to reserve a position for the training please contact Kevin Connolly at 515-281-8983.

Air and Waste Management Association Winter Conference, February 12-13, 2001, Dallas, Texas

Focus areas include the following:

- Environmental Justice in the 21st Century
- What's New In New Source Review?
- Oxygenates/MTBE
- Integrating Information Technology with EHS Systems
- ISO 14000 Environmental Management System

If you would like more information please contact Rich Stephens, 319-892-6043.
