October Highlights

The October meeting was held in Little Amana. Guest speakers were Liz Christiansen, Iowa Department of Natural Resources; Bob Schuler, Iowa Association of Business and Industry; and James Hahn, Iowa House Environmental Protection Committee. Topics included the current initiatives and the anticipated environmental agenda.

Upcoming Workshop

The January workshop topic will be an Air Permitting Update. Iowa Department of Natural Resources staff will provide updates on various topics, which may include: re-opening Title V permits, construction permits, air dispersion modeling, stack testing, and compliance. In order to facilitate planning, we ask that questions be submitted in advance. If you have a specific topic or question you would like addressed during the workshop, please send to Liane Kroemer: lkroemer@foxeng.com or 319-377-7106

Tuesday, November 12

EPA UPDATE

Art Spratlin, EPA

EPA perspective on current environmental issues including:

- Spill Prevention Control and Countermeasure (SPCC) - July final rule
- Title V MACT (update on issues including Part 2 112(j) applications)
- Enforcement Initiatives (such as grain industry)
- Continuous Release (EPCRA/CERCLA)
- Continuous Emission Monitoring (CEMs/COMs)
- Metal Products and Machinery (MP&M) effluent guidelines
- Local Limits (Pretreatment Limits) for POTWs
- Clear Skies Initiative

5:00 Social, 6:00 Dinner, 7:00 Program

Ox Yoke Interstate (I80 exit 225)

Note that this is across the street from the Amana Holiday Inn. See map.

Dinner is \$15 for members and \$18.00 for nonmembers.

Please RSVP by noon on Friday Nov. 8

Contact Gary Douglas at 563-445-2030 or douglasgaryr@johndeere.com.

Note: Cancellations are accepted through Friday at 5:00 pm.
After that, you will be charged for the meal.

Upcoming Events (Tentative Schedule)

The outline below indicates the tentative schedule. Watch for updates in future newsletters.

NOTE: Some meetings will be held at locations other than the Amana Holiday Inn.

Please watch the schedules carefully.

- January 7:** Evening Program. Wayne Gieselman, Division Administrator of Environmental Protection Division (EPD), to give update on state environmental priorities.
- Air Permitting Update Workshop. IDNR to give update on various topics, which may include: re-opening Title V permits, construction permits, air dispersion modeling, stack testing, and compliance.
- March:** SPCC Plans. Spill Prevention Control and Countermeasure (SPCC) Workshop presented by EPA Region VII.
- April:** Joint workshop with IWPCA Industrial Pre-Treatment Committee. This is an all day workshop. Following workshop, there will be a university student poster session, dinner, and speaker. Speaker to be from academia.
- April:** Cosponsor TRI workshop with EPA Region VII.
- May/June:** Annual golf outing.
