RSVP	Mick Durham durhammick@stanleygroup.com 562-264-6242

The Information Page

September Meeting Wrap-Up

Lisa Hurban of the Iowa Waste Reduction Center provided a wealth of information regarding the services and achievements of the IWRC. It is clear that small business has a friend in Iowa, especially when regulatory compliance is on the line. Lisa also outlined various projects that resulted in significant cost savings, especially in the area of spray painting. You can review the offerings of IWRC at <http://www.iwrc.org>.

Car Pool to Bio-fuels!

The Chapter meeting will be in Nevada, IA on November 8. It is not too early to talk about car pools. For those in eastern Iowa, I can probably arrange some parking at the SPEEDCO Truck Lube at the Walcott exit (next to the Blue Beacon Truck Wash). I will be leaving from SPEEDCO. If anyone else would like to participate, or have other ideas for car pool collection points, let me know. I will need to know how many cars I can expect so that I can let our SPEEDCO manager know.
