In order to ensure a fun-filled vacation with us, please read the following tips for the adventures that await your child in

Disney's Oceaneer Lab

General:

- Each family will receive one pager for the duration of their voyage, to be returned to *Disney's Oceaneer Club/Lab* on the last evening of the cruise. Pagers
- Be aware that counselors and children will be in transition approximately fifteen minutes before the next scheduled event, if a move is indicated on the schedule.
- Children move locations based on age group to appropriate spaces for each event. In order to determine your child's location on the ship; please refer to the Childrens' Navigator.
- Questions about programming can be answered by calling *Disney's Oceaneer Lab*, extension 7-1445.
- Please note that events are subject to change.
