Luggage tags are being provided to assist you in locating your luggage in the Port Canaveral Terminal. Please write your stateroom number, name and address on these tags. Remove any old airline or yellow Disney tags. Attach the new tags to your luggage and place it outside your stateroom between 10:00pm and 12:00midnight for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by midnight must be hand carried by guest when disembarking the ship. In case you do not have locks to secure your luggage during handling and transportation, luggage tie wraps are available from your stateroom host/ess. We suggest that you pack all valuables such as cash, negotiable securities or other financial instruments, gold, silver, jewelry, ornaments, works of art photographic/video/audio equipment or supplies, laptop computers, cellular phones, medicines or other valuables in your day bag to be kept with you throughout your journey.

Your belongings will be stored and conveniently located in colored zones, according to stateroom number, for easy recognition in the port terminal. Once you locate your luggage, porters will be available to assist you as you proceed through Customs.

*****The porters off the ship providing this assistance are an independent company.
So, in recognition of this service, it is customary to leave a gratuity.*****
